We Gon' Last

Mario Vazquez

I confess to you but I know
To be true I need you so
Listen up I'm about to say
Exactly why I feel this way
Let me just collect my thoughts
I never spoken so true before
But now I'm writing a brand new page

Your the only request that I got in my life, girl
And you never get old and I never get tired, girl
And I know that your friends hate (yeah)
But I don't care what your friends say (no)
Cuz we are something special
And before the speak on us

You tell your friends
Call'em up
Make'em understand
And if they ask
Let'em know
Tell'em I'm your man
And what we got
Is solid to hard to break
And we've got it
It's to hard to take
Gonna tell everyone that you know
We gon' last

I can be with you
And no one else
Glad to have you to myself
When your away it's hard to breathe
And when your hear it's hard to see
Can't ya tell that we're fortunate
That we found a way to click
No one holds my interest like you, yeah

You tell your friends
Call'em up
Make'em understand
And if they ask
Let'em know
Tell'em I'm your man
And what we got
Is solid to hard to break
And we've got it
It's to hard to take
Gonna tell everyone that you know
We gon' last

I don't need to be reassured
Cuz I know it's in my heart
That you believe I'm yours
But I don't want nobody judging my love, my sincerity, or what's inside of m
e that's for you girl
Oh baby I need your loving
So tell them that you'll stay right here

And that you'll never go

And I know that your friends hate (yeah)
But I don't care what your friends say (no)
Cuz we are something special
So before the speak on us

You tell your friends
Call'em up
Make'em understand
And if they ask
Let'em know
Tell'em I'm your man
And what we got
Is solid to hard to break
And we've got it
It's to hard to take
Gonna tell everyone that you know
We gon' last
You tell your friends
Call'em up
Make'em understand
And if they ask
Let'em know
Tell'em I'm your man
And what we got
Is solid to hard to break
And we've got it
It's to hard to take
Gonna tell everyone that you know
We gon' last
