

So Fine

Mario Winans

Oooh baby, ooooooh, oh yea, yea yea
You were there all the time
A perfect picture pain-ted in ma mind,
Could you be soooo kind
As to let me up in your life

I want to show you, the way its meant to be
I gotta hold you, so close and dear to me
I'll do what's necessary, I gotta have you with me
'Cause it ain't hard to see baby
You, so fine.
And I hope that you could be, all mine
The finest thing I ever seen, so fine
And oh I pray that you would be all mine,
'Cause baby you so fine, baby
Never thought I'd feel this way
But I think about you each and every day
I hope that its oooooook
I'll be your lover-man any day

Ooooo baby
The clothes you wear the way you stop oh yea
It drives me crazy baby and you know its true I'm
The one for you
You look so good to me your so fine

Your so fine and I know it
Your so fine
Your so fine and I know it
Your so fine
Your so fine and I know it
Your so fine
Your so fine baby won't you be mine
