Mario Winans

Yo! (yeah) Yeah! (yo yo yo, c'mon)  
Yeah, this is 'Rio! Yeah! 'Rio Winans!  
Yeah! mmm mmmm, mmm mmmm, mmm mmmm  
You hurt me so bad  
Mmm hmmm, baby, yeah!

I always trusted you (bet that all)  
It didn't mean that much to you, babe!  
I gave my love (love) my time (my time) and my life  
In return you give me pain (oh yeah)  
What a shame (oh babe) and this is the thanks I get baby!

How could you do it to a nigga like this?  
Tell me, tell me (oh yeah)  
And why would you give another nigga my kiss? (oh baby)  
You hurt me, hurt me babe  
I gave my love (love) my time (my time) my life (oh baby)  
In return you give me pain (oh yeah)  
What a shame (oh baby) and this is the thanks I get baby!

In return you give me pain (oh yeah)  
What a shame (oh yeah) and this is the thanks I get baby!

Ever since he met you had that good Oochie Wally  
Curves so killer, you put insurance on your body  
Remember that jude joints? your hair all knotty  
And I was coming through in that blue Maserati go  
See this honey was potent like cook blow  
Crack! I mixed the Black with Phillipino  
Used to live in Reno but we met on the beach  
Sang bars from the star, everythang was peace  
Then we got our shit together, you moved in the castle  
Let you shop wit the Capital One, no hassles  
One minute you're cool, next minute you're amped  
Talking loud trying to play me like a wet food stamp  
Ho!! Think of me in your life with the next dude  
I'm like Chef, I'm contemplating my next move  
Then think of all the wankstas I hit  
Ain't this a bitch? shit this is all the thanks I get?  
I'm gone

How could you do it to a nigga like this?  
Tell me, tell me  
And why would you give another nigga my kiss?  
You hurt me, hurt me babe  
I gave my love, my time, my life  
In return you give me pain  
What a shame, and this is the thanks I get baby!
