

# You Knew

Mario Winans

You know...  
Oh baby...  
You know...  
You know the time I was lovin'  
Girl out of time, girl out of time  
Girl out of time, girl out of time  
I was lovin' you baby

Every little thing you said  
Didn't come from your heart  
Now I'm laying out in my bed  
Wondering what we are  
Cause you never meant what you said  
And you throw it all on my head  
You made me believe, that you wanted me  
You could've told the truth instead, baby

I don't know why  
Didn't realize  
You took the time to pick me up  
And let me down baby  
Look in my eyes, you can't deny  
That your the reason for the pain I feel inside

When I looked into your eyes  
There was nothing I can see  
Now I'm lost and can't find my way  
Cause love has blinded me and Now  
I don't know what to do, nothing that have to prove  
You played me for a fool, all the time I was lovin' you

Now the things were going  
I knew I should've left back then  
But my heart was steadily growing  
Blaming, all the man I am  
If you felt this way  
You should've showed it  
You shouldn't ever took so long  
Made it cleared, that you don't care  
Where did I go wrong, baby?

[Slim with Mario]  
You said you loved me  
But I'm lonely a'gain  
It's gonna take time for me  
Yes, you did, Yes you did  
You could've told me  
That you don't love me anymore  
Somebody tell me why, baby

[Slim with Mario]  
Can't act like you didn't know  
Didn't owe it all that time  
But I can't blame you  
I should've known  
When I looked into your eyes  
Girl, so many nights of sittin alone

I just sit and wonder why  
Baby, what you did was dead wrong  
Didn't have to lie
