

Couldn't Say No

Mario

Damn...
All I could do
All I could say
is that Im sorry
(sorry sorry sorry sorry)Fading
listen to me
I know I really messed up this time
Just here me out

Ohhh.. you should of shown me alittle more love
(but still there aint no reason)
for me to walk out on this thing called "us"
(but you keep giving me the feeling)
that I should throw the towel in
(cause we can't keep eachother no way)
Cussing me out in front of my friends not giving a damn on how I feel

I dont even want
(I dont want to be the guy with the tricks around you)
and you dont even know
(how many times I asked your momma what I should do)
And its my fault
(and its my fault Im in a situation I may not get through)
I got bad news that I gotta break to you
I know you gonna act a fool but I gotta let her know

I had a girlfriend pinned up
in between that week we split up
it was looking so good I couldn't say no
I think it's time you know
everytime that I see you with her
I was thinking how I was picking them legs up
it's ashame when a man just can't say no
ohh yea

See what is done is done
and I realize now ain't no taking it back
I committed the worst crime I could eva do to my girl
(damn she ain't neva gonna forgive me)
everytime that you through a fit
my two-way she hits saying "Im on the way"
putting it down in out, up and down, anyway that I say
but baby girl I really didn't wanna!
