

You number 1  
You number 1

You're that everyday girl, a face like a magazine  
A ass I wanna hold, every ghetto niggas fantasy, yeah, oh yeah

Hey, I think I really wanna be your lover  
Not the one you wake up to  
A nigga call and touch ya, don't wanna fuck you like no other  
I'm not tryna Range Rov truck ya, or diamond cut ya  
Ain't really tryna meet your mother, just wanna fuck you like no other

Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)  
Come and get it (go), you number 1

If it's good girl, why wouldn't I come back again  
Little boys mess it up for men, and that I don't understand  
When ya mouth's in ya hand, yeah

Hey, I think I really wanna be your lover  
Not the one you wake up to  
A nigga call and touch ya, don't wanna fuck you like no other  
I'm not tryna Range Rov truck ya, or diamond cut ya  
Ain't really tryna meet your mother, just wanna fuck you like no other

Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)  
Come and get it (go), you number 1  
Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)  
Come and get it (go), you number 1

How'd you like it?  
And the way that you smile I can tell that you told your girlfried  
The way you showed up if I start fuckin' you it'll make ya world end, yeah  
Would it be a smile or a frown if I brought your girl in?  
Why you smirkin' yeah, hey

Hey, I think I really wanna be your lover  
Not the one you wake up to  
A nigga call and touch ya, don't wanna fuck you like no other  
I'm not tryna Range Rov truck ya, or diamond cut ya  
Ain't really tryna meet your mother, just wanna fuck you like no other

Those other guys go wrong with you (you, you)  
They sell you dreams that they can't keep  
They send you lies disguised as the truth (true, truth)  
They say the skies are green, that I've never seen  
While I just say that it's blue (blue, blue)  
Your the sun to me, but you can't see  
And I'll just say you are cute  
I'll keep it short and clean  
For that ass, I'm a fein, yeah

Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)

Come and get it (go), you number 1  
Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)  
Come and get it (go), you number 1

Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)  
Come and get it (go), you number 1  
Let's go, c'mon (go) come and get it (go)  
C'mon (go), come and get it (go), c'mon (go)  
Come and get it (go), you number 1
