

How Do I Breathe

Mario

How do I breathe, yeah?
How do I breathe, yeah?

It feels so different being here,
I was so used to being next to you,
Life for me is not the same,
There's no one to turn to.
I don't know why I let it go too far,
Starting over - it's so hard.
Seems like everywhere I try to go,
I keep thinking of you.

I just had a wake up call,
Wishing that I never let you fall,
Baby you are not to blame at all.
when I'm the one that pushed you away.
Baby if you knew I cared,
You'd have never went nowhere (nowhere),
Girl I should've been right there.

How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go
When your heart's where I lay my head?
When you're not with me,
How do I breathe?
How do I breathe?

Girl I'm losin' my mind.
Yes I made a mistake.
I thought that you would be mine.
Guess the joke was on me.
I miss you so bad, I can't sleep.
I wish I knew where you could be.
Another dude is replacing me,
God this can't be happening.

I just had a wake up call (call),
Wishing that I never let you fall (fall),
Baby you are not to blame at all.
When I'm the one that pushed you away
Baby if you knew I cared (cared),
You'd have never went nowhere (nowhere),
Girl I should've been right there.

(And I wonder...)
How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go
When your heart's where I lay my head?
When you're not with me (I'm saying),
How do I breathe?
How do I breathe?

I can't get over you, no
Baby I don't wanna let go, no
Girl you need to come home
Girl come back to me
'Cause girl you made it hard to breathe
When you're not with me.

(Tell me)
How do I breathe
Without you here by my side?
How will I see
When your love brought me to the light?
Where do I go (where do I, where do I go)
When your heart's where I lay my head?
When you're not with me,
How do I breathe?

How do I breathe?
[Some speaking starts]
Without you here by my side?
How will I see (how will I see)
When your love brought me to the light (baby, baby)?
Where do I go (where do)
When your heart's where I lay my head?
When you're not with me (you're not with me),
How do I breathe (how do I breathe)?
How do I breathe?
