Ooh Baby

I think this one's for the radio (turn the lights on) I think this one's for the radio Baby, yeah Hold on Don't say nothing I just wanna make sure that your eyes are working And what goes on, here Only concerns the two of us Cause it's only the two of us And I feel like it's 'bout time for me to show you all, girl All the freaky things that I'm thinking, baby Your clothes are all off And the bed is right there Besides your high heels all you're wearing is your hair I could break it down for you if you not scared Like ooh, ooh, ooh baby Pleasure principle can you work it in the chair And I can get you right With your legs up in the air Now I could break it down for you if you not scared Like ooh, ooh, ooh baby Baby, baby, ooh, ooh, ooh baby Baby, baby, ooh, ooh, ooh baby It's been so long Since somebody put it on ya like I'm 'bout to put it on ya Let's make one thing, clear The things I'm 'bout to show you, I already know you gon' love, girl And it's gonna be so fine for me to break you off, girl Because I know just what your body needs, baby Your clothes are all off And the bed is right there Besides your high heels all you're wearing is your hair I could break it down for you if you not scared Like ooh, ooh, ooh baby Pleasure principle can you work it in the chair And I can get you right With your legs up in the air Now I could break it down for you if you not scared Like ooh, ooh, ooh baby Baby, baby, ooh, ooh, ooh baby Baby, baby, ooh, ooh, ooh baby I wanna hear your body say my name, say my name And you gon' be so happy that you came, to get it baby So gon' get outta them clothes, go head and go down, over there on the floor I'm dedicated, to pleasing you I know you're ready baby Your clothes are all off And the bed is right there Besides your high heels all you're wearing is your hair

I could break it down for you if you not scared

Like ooh, ooh, ooh baby

Mario

Pleasure principle can you work it in the chair And I can get you right With your legs up in the air Now I could break it down for you if you not scared Like ooh, ooh, ooh baby Baby, baby, ooh, ooh, ooh baby
