Here I Am

Marion Raven

I'll protect you, don't be scared No matter what I will be there I'll be gentle, I'll be light These are the words you whispered in the night Here I am Here I am Now I'm standing in the cold Everything is said and done Atomic winter in my soul From the absence of the sun The only remedy I know Is I got to let you go Here I am Here I am But where were you when I was scared A broken promise left me here A post-it note is what I've got It says, I'm sorry but I know you're not So here I am, yeah Here I am Now I'm standing in the cold Everything is said and done Atomic winter in my soul From the absence of the sun The only remedy I know Is I gotta let you go Here I am Here I am There will come a day When all of this is in my past And there will come a day When you're out of my head at last I'm trying not to fall Damn, it's such a long way down But here I am Yeah, yeah, yeah And now I'm standing in the cold Everything is said and done Atomic winter in my soul From the absence of the sun The only remedy I know Is I gotta let you go Now I'm standing in the cold Everything is said and done From the absence of the sun

The only remedy I know Is I gotta let you go

Here I am Here I am
