

Start Over

Marion Raven

Strangers again
Feels like I just was in your arms
I'm restless again
And you're not here to keep me calm
Longing again
I'm always on my own
Empty again
Our house is not a home

I want to hear your footsteps,
Your keys unlock the door
Everything will be like before
I'll see you when I see you
Tomorrow
We'll start over again
All the days that we're losing
We'll borrow
We'll start over again

I'm changing again
Couldn't help it if I tried
Don't leave me again
Remember what you leave behind
I wanna hear your silence
It's quiet in these rooms
Your empty chair is waiting here for you
