What Are We Waiting For

Marion

When I feel the same
And our love's in phase
Then you and I
We're not ourselves
And our love it fades

And as the moods begin to turn
And it's only you who's late, hey
Allowed to fall into the end
But it's only if you wait, hey

What are you waiting for?
What are you waiting for now?
What are we waiting for?
What are we waiting for now?

As we decide what we want and we get it all
And then we'll change our minds again
Don't you do as I do
Do as I say and you'll be okay

Feel the same
And our love you praise
Then you and I
We find ourselves
But our love still fades

And as the moods begin to turn
And it's only you who's late, hey
Allowed to fall into the end
But it's only if you wait, hey

What are you waiting for?
What are you waiting for now?
What are we waiting for?
What are we waiting for now?

As we decide what we want and we get it all
And then we'll change our minds again
Don't you do as I do
Do as I say and you'll be okay

Waiting for?
What are you waiting for now?
What am I waiting for?
What am I waiting for now?

I'll decide what I want and I'll get it all
And then I'll change my voice again
I won't do as you do
Do as I say, you'll be okay

What are you waiting for?
   (What are you waiting for?)
What are you waiting for now? Oh, oh

What are you waiting for?

```
    (What are you waiting for?)
What are you waiting for now? Oh, oh

What are you waiting for?
   (What are you waiting for?)
What are you waiting for now? Oh, oh

What are you waiting for?
   (What are you waiting for?)
What are you waiting for now? Oh, oh

What are you waiting for?
   (What are you waiting for?)
What are you waiting for now? Oh, oh

What are you waiting for?
   (What are you waiting for?)
What are you waiting for now? Oh, oh

What are you waiting for?
   (What are you waiting for?)
What are you waiting for now?

 (What are you waiting for?)
What are you waiting now?
What are you waiting for?
   (What are you waiting for?)
You waiting for?

 (What are you waiting for?)
What are you waiting for?
What are you waiting for?

Waiting for?
   (What are you waiting for?)
Waiting for?
What are you waiting?
What are you waiting for?
```
