

# Waste More Time

Marit Bergman

I've had a hole in my  
heart for so long  
an empty spot that I  
could not explain  
I tried to do thing's right  
And always did wrong  
I tried so hard, and then I  
tried again

I've searched the whole  
world through for answers  
Forgotten all the places  
I have been  
Now that I've found love  
around the corner  
Please hurry, you know,  
We're not seventeen

So let's not waste more time  
Let's not waste more time  
Let's not waste more time  
on white lies and denial

So here you are now standing  
at my doorstep  
And all my hesitation  
fades away  
It's you it's you it's you  
It's always been you  
Now come along, our  
new live start's today

So let's not waste more time  
Let's not waste more time  
Let's not waste more time  
on white lies and denial  
I'm so sure we'll be just fine  
'cause I'm yours and  
you are mine  
Let's not waste more time  
We know we're down for survival
