## Fuel

**Marit Larsen** 

The fuel to write To burn, to stay alive To stand and wait It takes fuel to light the tiniest star, and fuel to start a fi re The fuel to win To dare to keep the rhythm The courage to trust It takes fuel to take the leap, to keep the pace, to start the engines I get it from you I get it from you It takes fuel to walk the line, to put one foot in front of the other It takes fuel to turn the wheels, to keep the grace to still di scover I get it from you I get it from you I get it from you
