

# If A Song Could Get Me You

Marit Larsen

I could try you with a waltz  
I could try you rock and roll  
I could try you with the blues  
If a song would do

I could sing it high or low  
When I let you go you know  
I thought it was for the best  
Now it is so obvious

So here it is, here it goes  
I could try rock and roll  
I would change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you

I could run for miles and miles  
I'd take off and I'd start flying  
I could cross land and sea  
If you just believe me

I should not have hurt you so  
This old house is not a home  
Without you here, there's no use  
I've got no time left to lose

So here it is, here it goes  
I could try rock and roll  
I would change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you

If a song could get me through  
I'd sing my way, right back to you  
Tell me how, to make it right  
Tell me now, I'll start tonight  
I know I could make it last

I swear to you that if I knew  
What I was getting myself into  
I wouldn't answer to my fears  
I'd never leave you standing there

Just look at me

If you'd only see me  
I would prove my love for you  
I could swallow half the moon  
Just tell me where, tell me when  
I will have you back again

So here it is, here it goes  
I could try rock and roll  
I would change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you

So here it is, here it goes  
I could try rock and roll  
I would change your life forever too  
If a song could get me you  
I could make it high or low  
Sing it on the radio  
If that is what I need to do  
If a song could get me you
