

# I'm Gone

Mark Chesnutt

Sittin' at a table conversation  
Me and my buddies  
I follow what they're sayin'  
100% of the daily events  
But the minute she walks in my direction  
Well, there goes my span of attention  
One look in her eyes  
And I'm gone for a ride.

I'm gone, I'm history  
She gets the best of me  
My mind drifts away  
And instantly  
I'm in another world  
Wishin' she was my girl  
And nothin' else matters at all  
I'm gone like yesterday  
To another time and place  
One sweet smile and I get swept away  
She gives me just enough to dream on  
And I'm gone.

Yeah, I been comin' in here for quite some time  
I've got it all figured out in my mind  
What I wanna say, yeah, today's the day  
Oh here she comes, heart be steady  
Play it cool, I got the words ready  
She says hello, and away I go.

I'm gone, I'm history  
She gets the best of me  
My mind drifts away  
And instantly  
I'm in another world  
Wishin' she was my girl  
And nothin' else matters at all  
I'm gone like yesterday  
To another time and place  
One sweet smile and I get swept away  
She gives me just enough to dream on  
And I'm gone.

I'm gone, I'm history  
She gets the best of me  
My mind drifts away  
And instantly  
I'm in another world  
Wishin' she was my girl  
And nothin' else matters at all  
I'm gone like yesterday  
To another time and place  
One sweet smile and I get swept away  
She gives me just enough to dream on  
And I'm gone.
