Light Of The World

Mark Chesnutt

You are the light of the world You are the light of the world But if that light is under a bushel Brrr, it's lost something kind of crucial You got to stay bright to be the light of the world

You are the salt of the earth You are the salt of the earth But if that salt has lost its flavor It ain't got much in its favor You can't have that fault and be the salt of the earth!

So let your light so shine before men Let your light so shine So that they might know some kindness again We all need help to feel fine (Let's have some wine!)

You are the city of God You are the city of God But if that city's on a hill It's kinda hard to hide it well You've got to stay pretty in the city of God

So let your light so shine before men Let your light so shine So that they might know some kindness again We all need help to feel fine (Let's have some wine!)

You are the light of the world You are the light of the world But the tallest candlestick Ain't much good without a wick You've got to live right to be the light of the world
