

# Rollin' With The Flow

Mark Chesnutt

Once was a thought inside my head  
'Fore I reached thirty I'd be dead  
Somehow on and on I go  
I keep on rollin' with the flow

Folks said that I would change my mind  
I'd settle down and do just fine  
But I still love rock 'n roll  
I keep on rollin' with the flow

I got my angel raising kids  
I'm raising hell just like I did  
I got a lot of crazy friends  
And they forgive me of my sins

Some might be calling me a bum  
'Cause I'm still out here having fun  
Jesus loves me yes I know  
I keep on rollin' with the flow

I got my angel raising kids  
I'm raising hell just like I did  
I got a lot of crazy friends  
And they forgive me of my sins

Can't take it with you when you're gone  
But I want enough to get there on  
And I ain't never growing old  
I keep on rollin' with the flow

Keep on rollin' with the flow
