

# This Heartache Never Sleeps

Mark Chesnutt

I worked myself to the bone  
Tired as a man can get  
It's the only way that I know  
Might help me to forget  
I lay me down  
And I pray my soul to keep.

Now, it's two a.m. and I should be  
Sleeping like a log  
But I can't blame the poundin' rain  
Or the neighbor's barkin' dog  
It's what you do to me  
This heartache never sleeps.

Yeah, twenty four hours of every day  
I can feel it down in my chest  
From the moment you walked away  
Well, I ain't got no rest  
It won't let me be  
This heartache never sleeps.

Well, like a ghost that haunts me  
Down at the end of my bed  
Your memory, it taunts me  
And it won't stay out of my head  
Till you come back  
It ain't never gonna leave.

So I might as well get out of this bed  
And put the coffee on  
Girl you know I'm not alone  
At the breakin' of the dawn  
'Cause just like me  
This heartache never sleeps.

Yeah, twenty four hours of every day  
I can feel it down in my chest  
From the moment you walked away  
Well, I ain't got no rest  
It won't let me be  
This heartache never sleeps.

It won't let me be  
This heartache never sleeps.

Won't let me be

Won't let me be  
This heartache never sleeps...
