

Vickie Vance Gotta Dance

Mark Chesnutt

Spinnin' those curlers round all day
Her little beauty shop provides a way
To work at home and sleep in late
So she can dance the night away.

Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
Vickie Vance gotta dance,
Yeah, Vickie Vance gotta dance

She can be dancin' to nothin' at all
And she does a mean swing with the shadows on the wall
Yeah, and I bet she's done the two-step a million times
Yeah, she drives all the boys on the dance floor wild.

Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
Vickie Vance gotta dance,
Yeah, Vickie Vance gotta dance.

Oooh, she can't stand still
Yeah, she's dancin' off the wall
Dancin' on the window sill.

Pilot gotta fly, eagle gotta soar
Give a baby candy, gotta give it more
Cowboy gotta ride, gambler gotta chance
Vickie Vance gotta dance,
Yeah, Vickie Vance gotta dance.
Yeah, Vickie Vance gotta dance...
