

Wherever You Are

Mark Chesnutt

Once in a life time love comes along
I know it's you that I'm waiting on
And that sweet promise of our first kiss
Keeps me hanging on through times like this.

So wherever you are I'm thinking of you
I wonder if you're thinking of me too
There's only so long time can keep us apart.

So, until we meet keep me in your heart
Keep wishing upon that same ol' star
And know, that I'll love you wherever you are.

Can't say I know what you look like
But you're in my heart and you're on my mind
And I feel your love deep down in my soul
When I finally find you, girl I'll know.

So wherever you are I'm thinking of you
I wonder if you're thinking of me too
There's only so long time can keep us apart.

So until we meet keep me in your heart
Keep wishing upon that same ol' star
And know, that I'll love you wherever you are.

So, until we meet keep me in your heart
Keep wishing upon that same ol' star
And know, that I'll love you wherever you are.

Girl, I'll love you
I'll love you wherever you are...
