

# Darling Pretty

Mark Knopfler

It's time to come away, darling pretty  
It's time to come away on the changing tide  
Time to come away, darling pretty  
And I need you darling by my side

Heal me with a smile, darling pretty  
Heal me with a smile and a heart of gold  
Carry me awhile, my darling pretty  
Heal my aching heart and soul

Just like a castaway  
Lost upon an endless sea  
I saw you far away  
Come to rescue me

Cast away the chains, darling pretty  
Cast away the chains away behind  
Take away my pain, my darling pretty  
And the chains that once were yours and mine

There will come a day, darling pretty  
There will come a day when hearts can fly  
Love will find a way, my darling pretty  
Find a heaven for you and I  
Love will find a way, my darling pretty  
Find a heaven for you and I
