

# Slow Learner

Mark Knopfler

People say 'Where have you been?'  
Or 'Where did you go?'  
I'm a slow learner  
I do everything slow  
It's my way, has to be true  
The world goes by me fast  
But where you're concerned  
I like good things to last  
Where's the point in worrying  
If we should start a little late  
Where's the point in hurrying  
When waiting feels so great?  
I'm a slow burner  
My last train left a while ago  
I'm a slow learner  
I do everything slow

So where's the point in worrying  
If we should start a little late  
And where's the point in hurrying  
When waiting feels so great?  
I'm a slow burner  
My last train left a while ago  
I'm a slow learner  
I do everything slow

Yeah, I'm a slow burner  
My last train left a while ago  
I'm a slow learner  
I do everything slow
