

# The Fizzy and the Still

Mark Knopfler

Sunday morning, here we are  
The boy's come home  
Not quite the movie star

He's been in Hollywood  
The boy's come home  
The boy's done good

He says she asked too high a price  
Neglecting to declare  
What sits between them there on ice,  
Chilled, with the fizzy and the still:  
He tried but didn't make it there

'It's not for me  
It's not for me'

Sunday papers, here we are  
The boy's come home  
The boy's come home
