

## Can't Come Down

Mark Lanegan

Don't give a damn for money  
Never did I give a damn for gold  
Tell me little doll, talk some sweet nothing  
A river runs deep and cold  
Don't know why but it keeps running  
Don't know why I can't come down  
Moses has stood on the mountain  
Devil made it thunder and rain  
Girl I ain't afraid of temptation  
No I ain't afraid of some pain  
Watchin' little doll she just come runnin'  
Running straight away  
Straight to me I got sweet nothing  
And only myself to blame  
I don't know why I just keep running  
Don't know why I can't come down  
Walk, don't you walk on me  
Don't you step don't you step on me  
Don't you walk don't walk on me  
Don't you step on me  
Don't have no thing for money  
Got no jones for gold  
All I got today is some sweet nothing  
Nothing to take away  
Don't know why I just keep running  
Don't know why I can't come down  
Don't know why - somebody  
Somebody hears today  
Don't know why, sweet nothing  
Nothing to take away  
No I ain't afraid of temptation  
No ain't afraid of some pain  
No ain't afraid of some pain  
Somebody, somebody  
Somebody, can't come down  
Somebody, can't come down  
Can't come down  
Somebody, can't come down  
can't come down...
