Mark Lanegan

Cold Molly
Cold cold Molly
Cold Molly ride
Cold Molly
Cold cold Molly
Cold Molly ride

Girl don't you go, just make my rooster crow
And I'll love you more than heaven
Stay with me stay, love me each and every way
And I'll love you more than heaven

Cold Molly
Cold cold Molly
Cold Molly ride
Cold Molly
Cold cold Molly
Cold Molly ride

Heat on up
Heat on up
Heat on up now love

Rolling river sound gonna hold your body down
Cold Molly straight to heaven
Come out and play, love me each and every way
And I'll love you more than heaven

Cold Molly
Cold cold Molly
Cold Molly ride
Cold Molly
Cold cold Molly
Cold Molly ride
[x2]
