

Hit The City

Mark Lanegan

The dark descends through the promised land
Down kingdom come and the acid ban
I'm bad alone, burned inside out
Nothing to kill it
I hit the city
In Marianne I dug the hole
And watched her trip on my heart of stone
And in the end all that crawled, was my skin
I couldn't kill it
I hit the city
I hit the city
Ghost arrives at its bitter end
To the promised land and the dark descents
I'm bad alone, burned inside out
Nothing to kill it
I hit the city [x5]
