

## Hit The City

Mark Lanegan

The dark descends through the promised land  
Down kingdom come and the acid ban  
I'm bad alone, burned inside out  
Nothing to kill it  
I hit the city  
In Marianne I dug the hole  
And watched her trip on my heart of stone  
And in the end all that crawled, was my skin  
I couldn't kill it  
I hit the city  
I hit the city  
Ghost arrives at its bitter end  
To the promised land and the dark descends  
I'm bad alone, burned inside out  
Nothing to kill it  
I hit the city [x5]  
1,2,3,4
