

## Kimiko's Dream House

Mark Lanegan

It's a matter of time, we always get lost  
By going very far, it's a matter of time  
Like I told you before, things are alright  
If I fall to the floor, it's for closing my eyes  
I came to this place, so tired at first

Kimiko's dream house  
So many things, that girls know before  
Kimiko's dream house  
There's so many things, that I've known before

To make matters worse, the trains are on time  
Lost at the station, still lost in our minds  
Thrown the rivers, we kicked and cursed

Kimiko's dream house  
So many things, that girls know before  
Kimiko's dream house  
So many things, that I've know before

It's swallowing us but dream we must  
Kimiko's dream house  
So many things, that girls know before  
Kimiko's dream house  
So many things, that I've known before  
I and all the girls have known before
