

Seafaring Song

Mark Lanegan

I have travelled the world around
Wandered far from home
Sailed the ocean in foreign skies
Still further to go
Back into my babies arms
From this world of woe
That was such a long long time ago

Captain hollered the Cabin Boy
Stared into the sun
Shadows waltzing so close behind
Ever far I run
Back into my babies arms
Safe from this world of woe
That was such a long long time ago

Sirens capture my trembling heart
What's to be will be
Moon is hidden, the deal is done
Spread your wings for me
Back into my babies arms
Rising soft and low
That was such a long long time ago
