

# Waiting On A Train

Mark Lanegan

It's time that I was leavin'  
Shoulda left here long ago  
You'd rather see me sorry  
Than knowin' what I know

I wish it was asleep instead  
Of hangin' here up above my head  
I'm cryin'  
In the winter time goin'

Pull all my shit together  
Try for another breath  
Lonely livin' sorrow  
Holdin' on like death

From the play of lights below  
Is that church bells ringin' or my whistle blowin'  
I don't care  
I'm gone  
Shootin' up and down the tracks

Mornin' comes, cold chills and shakes  
Just remindin' me of my mistake  
Well alright  
Now get your smell off of me mama

It's time that I was leavin'  
I left here long ago  
You'd rather see me sorry  
Than knowin' what you know  
Wish it was asleep instead  
Of hangin' here up above my head  
Lady  
Lady midnight crawlin'  
Just waitin' on a train
