

# Back In My Arms

Mark Medlock

Ooooooh back in my arms again  
back in my arms again

Oooh I can't wait  
till the night is over  
don't hesitate  
cause I found the way  
back to your heart  
oh so many days  
Oh I was crying  
baby so many prayers  
But now that you're here  
here in my heart, yeah

back in my arms again  
Baby don't let it end  
is just me and you  
just me and you  
in my arms again  
you are from heaven send  
is just me and you  
tonight is the night

I count the tears  
and he said it's over  
so many fears  
high on your love  
can't let you go  
for all my life  
baby I was searching  
my heart survives  
but now that you're here  
here in my heart

back in my arms again  
baby don't let it end  
is just me and you  
just me and you  
in my arms again  
you're from heaven send  
is just me and you  
tonight is the night
