Back In My Arms

Mark Medlock

Oooooh back in my arms again back in my arms again

Oooh I can't wait
till the night is over
don't hesitate
cause I found the way
back to your heart
oh so many days
Oh I was crying
baby so many prays
But now that you're here
here in my heart, yeah

back in my arms again
Baby don't let it end
is just me and you
just me and you
in my arms again
you are from heaven send
is just me and you
tonight is the night

badadada badadada badadada dadadada badadada badadada badadada

I count the tears and he said it's over so many fears high on your love can't let you go for all my live baby I was searching my heart survives but now that you're here here in my heart

back in my arms again baby don't let it end is just me and you just me and you in my arms again you're from heaven send is just me and you tonight is the night
