

Gimme A Chance

Mark Medlock

Baby I know
All of my heart is just crying for you
And time will show
That all my soul is dying that trough
If you take all my love and you leave than
If you take all my heart over, leave me
Please give me a chance
Cant let you go
This love goes high and goes low

But if you give me a chance
Ouh Ill never go
Oh its a romance
Its not a show
But if youre going my way
My dreams will die
Its hard to say
Gimme a try

Baby I swear
Baby you still got a place in my heart
And Ill be there
Baby you can if youre tearing appart
How many hearts have you broken
How many words left unspoken
Please give me a chance
Cant let you go
This love goes high and goes low

But if you give me a chance
Ouh Ill never go
Oh its a romance
Its not a show
But if youre going my way
My dreams will die
Its hard to say
Gimme a try

Woah gimme a try
Gimme a try yeah oh baby gimme a try yeah
Oh Ill never let you go
Ill never let you go
Uuuuh

But if you give me a chance
Ouh Ill never go
Oh its a romance
Its not a show
But if youre going my way
My dreams will die
Its hard to say
Gimme a try

Yeah gimme a try
Gimme a chance
Ill never go
Give me a chance

I'll never go
