

# Mamacita

Mark Medlock

Sun in your eyes  
Like a light of the magical moon  
Like paradise  
You're a grace where my heart belongs

Harder I try  
Love you more than my words can say  
I watched the sky  
Oh I know we will find a way

Love me as there were no tomorrow  
Love me as there were no sorrows  
since I see you, my dreams come true

Oh mamacita I'm going crazy  
Oh mamacita she blows my mind  
Oh mamacita give me your daughter  
cause such a girl is hard to find,  
cause such a girl is hard to find

Oh mamamamamacita I'm going crazy  
Oh mamacita, give me a chance  
Oh mamacita, yeah she's my baby  
an everlasting love romance  
an everlasting love romance

Grey turns to blue  
in a bed of the end of the world  
Baby just me and you  
You are like a mysterious bird  
You made it real  
all the stars shining crystal blue  
oh how I feel  
wanna share all my dreams with you  
Ever must be missing of emotions  
You're a lighting heart of the ocean  
Since I saw you  
my dreams come true

Oh mamacita I'm going crazy  
Oh mamacita She grows my mind  
Oh mamacita gimme your daughter  
Cause such a girl is hard to find  
Cause such a girl is hard to find

Oh mamamamamacita I'm going crazy  
Oh mamacita gimme a chance  
Oh mamacita yeah she's my baby  
An everlasting love romance  
An everlasting love romance

Mamacitaaaaa

Oh mamacita I'm going crazy  
Oh mamacita she grows my mind  
Oh mamacita she's my baby  
An everlasting love romance

An everlasting love romance
