

Mr.Love

Mark Medlock

I'm Mister Love
I'll give you all
All of my heart
If you just fall
I'm Mister Love
I'll give you hope
Deep in my heart
There is your home

I'm a rockefeller
I'm no fortune teller
And I know this love is so true
I'm no casanova
Baby if it's over
Oh I know that I'm feeling blue
Give me all your heart girl
There will be no one
Everytime I miss you
My love is so strong

I'm Mister Love
I'll give you all
All of my heart
If you just fall
I'm Mister Love
I'll give you hope
Deep in my heart
There is your home

I'm no party lover
Baby there's no other
Who will give you love, like I do
All this stupid liars
Baby if you try him
Baby they will hurting you
Give me all your heart girl
There will be no one
Every time I miss you
My love is so strong

I'm Mister Love
I'll give you all
All of my heart
If you just fall
I'm Mister Love
I'll give you hope
Deep in my heart
There is your home
