## **Not Over**

## **Mark Medlock**

Girl he get your number In that little tiny bar I can't stand the feeling Oh it's so bizarre Girl he get your lover And I loose your heart Oh this time is real Why you broke apart

Ohh I miss you so yeah yeah mmmh

Cause I'm not over you Pretty girl with the secret smile I'm not over you Cause I'm not over you Baby can't you wait another night

Girl he now is joking With you night and day And everything is broken Since you gone away Girl he is your lover And I'm standing here alone Every word is spoken I left my heart, my home

Oh nooo I miss you so-oooooh

Cause im not over you Pretty girl with the secret smile I'm not over you Cause im not obver you Baby can't you wait another night DOocouh goodbye lover Gooobye heartache oocohohohohohoh Goodbye lover, goodbye heartache

Cause I'm not over you Pretty girl with the secret smile I'm not over you and I'm not over you Baby can't you wait another night Goodbye lover, goodbye heartache Ooooh I miss you, yeah I do Goodbye lover yeah, goodbye heartache I miss you, I'm not over you-ooohhh I'm not over you I miss you really please come back to me
