

# Stay With You

Mark Medlock

Come on my sweet baby, I wanna stay with you

I wanna stay with you  
Just stay with you  
Tonight tonight  
I wanna loving you  
Just loving you  
Tonight tonight

Oh I love you  
In my heart  
And in my soul  
Uh I love you  
Deep in my heart  
I loose control

I loose it with the smiling face  
I'm winning noup, but just in case  
I'm loving you  
I'm loving you  
And I break up this heart to do  
Another sad sad story too  
I'm loving you  
What can I do

I wanna stay with you  
Just stay with you  
Tonight tonight  
I wanna loving you  
Just loving you  
Tonight tonight

Oh I love you  
In my heart  
And in my soul

Dieter: I swear I'll stay you tonight

Uh I love you  
Deep in my heart  
I loose control

Dieter: I wanna love you just tonight

And anyone who has a heart  
Is looking for a brand-new start  
I'm loving you  
I'm needing you

And it brighter than thousand suns  
There is a light  
I take a run  
I'm loosing you  
What Can I do

I wanna stay with you  
Just stay with you

Tonight tonight  
I wanna loving you  
Just loving you  
Tonight tonight

Oh I love you  
In my heart  
And in my soul  
Oh I love you  
Deep in my heart  
I loose control  
Oh I love you

-- RAP :D --

I wanna stay with you  
Just stay with you  
Tonight

Dieter: I swear I'll stay with you tonight

I wanna loving you  
Just loving you  
Tonight tonight

Dieter: I wanna love you just tonight

And I love you  
And in my heart  
And in my soul

Dieter: I love you and loose control

Oh I love you  
Deep in my heart  
I loose control  
(Dieter: Yeah I loose control)  
And I love you  
And I love you
