

Summer Love

Mark Medlock

My sweet summer love
My sweet summer love

On and on and on
I'm dreaming 'bout you on my summer love
Holding on and on
Oh you're in my dreams in the sun above

See the ocean in my dreams
oh it's like a movie scene
my sweet summer love
forever and a day

When I'm dreaming bout the last summer
Oh I'm dreaming deep in my soul
And my feelings cannot be stronger
Cuz i will lose control.

When I'm dreaming bout the last summer
Feel the sunshine in the air
And my heart cant stand it no longer
My summer love I swear

My sweet summer love
My sweet summer love

On and on and on.
I'm feeling so alone
Bring me the sun again
On and on and on
You're in my arms dancing in the sand
All the days and all the night
all the stars where shining bright
Half way to Paradise
forever and a day

When I'm dreaming bout the last summer
Oh I'm dreaming deep in my soul
And my feelings cannot be stronger
Cuz i will lose control.

When I'm dreaming bout the last summer
Feel the sunshine in the air
And my heart cant stand it no longer
My summer love I swear

My sweet summer love
My sweet summer love
Oh I'm dreaming deep in my soul

When I'm dreaming bout the last summer
Oh I'm dreaming deep in my soul
And my feelings cannot be stronger
Cuz i will lose control.

When I'm dreaming bout the last summer
Feel the sunshine in the air

And my heart cant stand it no longer
My summer love I swear

My sweet summer love
My sweet summer love
