

Trouble

Mark Medlock

Don't let it get you down this trouble
Don't let the teardrops start again
And if you think this love is over
Don't talk about it
Let it end
Let it end

You're so them right
That you're leaving me
You're so them right
That you're go
You broke my heart
But I'm cheating you
That's why you're crying and blue

Don't let it get you down this trouble
Don't let the teardrops start again
And if you think this love is over
Don't talk about it
Let it end
Let it end

I broke your heart
A million times
Don't let it end to soon
Do what you want
Love is just a crime
This love be out a room

Don't let it get you down this trouble
Don't let the teardrops start again and again
And if you think this love is over, over
Don't talk about it
Let it end
Let it end

uuuuuuuh

Don't let it get you down this trouble
Yeah, this trouble
Don't let the teardrops start again and again
Ouuuh start again yeah
Baby if you think love is over
Don't talk about it
Let it end
Let it end
Let it end, yeeeeeeaaaahh

Don't let it get you down this trouble
Don't let the teardrops start again and again
Let the teardrops start again
Baby if you think love is over (love is over)
Don't talk about it
Let it end
Let it end
