

# Unbelievable

Mark Medlock

It's not the way you smile in the morning  
It's not the way you kiss me tonight  
It's not the way you smile when you're yawning  
It's not the way you holding me tight  
Words can't express They cannot express  
What you mean to me

You're unbelievable, irresistible  
I can't believe my eyes  
When I'm with you  
You're unbelievable - You're just incredible  
And I can't , can't breathe without you  
can't breathe without you

It's not the way we spend nights together  
It's not the way you looking at me  
It's not the way you say : it's forever  
Never all will be will be  
Words can't express , They cannot express  
What you mean to me

You're unbelievable ,irresistible  
I can't believe my eyes  
When I'm with you  
You're unbelievable - You're just incredible  
And I can't ... can't breathe without you  
And I can't breathe without you

You're unbelievable ,irresistible  
I can't believe my eyes  
When I'm with you  
You're unbelievable - You're just incredible  
And I can't, can't bretahe without you  
can't breathe without you

And I can't can't breathe without you
