

You Are So Beautiful

Mark Medlock

Baby you...you are so beautiful,
So unbelievable.
I love your smile.
Oh baby you...oh you...you are so wonderful
Irresistible all your life.

Anytime I wonder...wonder how I feel
All you drive in me out of my mind.
Every time I see you
Babe, is this for real?
Or someone like you is hard to find.

Or our promise you love.
And I can't get enough
Every day and night.
Or I do it for you,
Every thing what i do
To be mornin's life

Baby you...you are so beautiful,
So unbelievable.
I love your smile.
Oh baby you...oh you...you are so wonderful
Irresistible all your life.

The way you look tonight
You can give me more.
Every time I stare you in your eyes
Listen to my heartbeat.
Oh you can't ignore
You and me is stand in paradise

Are you ready for love?
Or I can't get enough
Every day and night.
Or I do it for you,
Everything I can do to the mornin's life

Baby you...you are so beautiful,
So unbelievable.
I love your smile.
Oh baby you...oh you...you are so wonderful
Irresistible all your life.
Baby you...you are so beautiful,
