Mark Morrison

Baby let's get down we can make it freaky if you wanna  
Baby let's get down Oh oh oh oh.....  
Baby let's get down we can make it freaky if you wanna  
Baby let's get down Oh oh oh oh.....

Forget the gangstas and the homies, a girl like you would really like to know me  
Gotta bag of loot, a rep to boot, nuttin but love for da ladies  
You got stress on your mind, I'll show you how we can un-wind  
Just a Friday night I'm feelin right, I got the place you got the time  
Baby let's get down, the place is jumpin and the night is young  
I got a feeling me and you are gonna get along

Baby let's get down, we can make it freaky if you wanna  
Baby let's get down Oh oh oh oh.....  
Baby let's get down we can make it freaky if you wanna  
Baby let's get down Oh oh oh oh.....

I'm seeing ladies who are all there, but tell me where to see the ladies, alright  
See I'm home alone, let's get it on, you know your lookin good like that  
If you need a natural man, baby come and take my hand  
We will disappear leave the party here, baby for you I'm making plans  
Baby let's get down even if we only have a little time  
Just give me all you've got to spare I'm sure it will be fair

Baby let's get down, we can make it freaky if you wanna  
Baby let's get down Oh oh oh oh.....  
Baby let's get down we can make it freaky if you wanna  
Baby let's get down Oh oh oh oh.....

Cos I know what I like when my people dim the lights  
Don't have to worry about the backbone  
They say your freaky so let's get it on  
We can go from dawn to the dawn if your feeling strong hun...  
24/7 till the cows come home  
I know I wanna get with you, I know you wanna get with me  
Two who are alone, and I wanna spend sometime with you  
So what ya gonna do (get down) ya dig it (get crazy)
