

## Love Song

Mark 'Oh

My sweet is welcome, take my hand,  
We travell both to wonderland.  
You are the only one I will ever love.  
Love song!  
I want you!  
My sweet is welcome, take my hand,  
We travell both to wonderland.  
You are the only one I will ever love.  
My sweet is welcome, take my hand,  
We travell both to wonderland.  
You are that kind of girl I will never leave.  
Love song! (love)  
I want you!  
My sweet is welcome, take my hand,  
We travell both to wonderland.  
You are the only one I will ever love.  
My sweet is welcome, take my hand,  
We travell both to wonderland.  
You are that kind of girl I will never leave.
