

The past, the present, the future

Maybe one day we'll be united
And our love won't be divided (ooh ooh ooh ooh ooh ooh)
Maybe one day we'll be united (ooh ooh)
And our love won't be divided (oh oh oh)
Maybe one day we'll be united (oh oh yeah)
And our love won't be divided
Maybe one day we'll be united (ooh ooh ooh)
And our love won't be divided...

Feel the beat

Maybe one day we'll be united
And our love won't be divided (ooh ooh ooh ooh ooh ooh)
Maybe one day we'll be united (ooh ooh)
And our love won't be divided

Once again...

Maybe one day we'll be united (the past...)
And our love won't be divided (the present...)
Maybe one day we'll be united (the future...)
And our love won't be divided (feel the energy...)

Maybe one day we'll be united (oh oh yeah)
And our love won't be divided
Maybe one day we'll be united (ooh ooh ooh)
And our love won't be divided

Maybe one day we'll be united (ooh ooh ooh)
And our love won't be divided (oh oh yeah)
Maybe one day we'll be united (ooh ooh)
And our love won't be divided
