

# Are You With Me

Mark Owen

Taking a walk  
Through the valley of a roadside  
Taking a walk through the valley of a roadside  
on a sunny afternoon  
Smoking a smoke  
Through the streets of a poppy field  
Smoking a smoke through the streets of a poppy field  
on a sunny afternoon  
I'm travelling down a man made avenue  
Theres a stop sign this time I'm going through

Are you with me  
on my journey  
Are you with me in the search for the sunshine  
On a sunny afternoon

Now I'm driving in my car  
Down the path of a hillside  
On a sunny afternoon  
Holding your hand  
Down a lane made for lovers  
on a sunny afternoon  
I'm travelling down a man made avenue  
Theres a stop sign this time I'm going through

[REPEAT CHORUS]

I'm travelling down a man made avenue  
Theres a stop sign this time I'm going through
