## **Green Man**

Early morning juices blend he chooses Bowl of seed and water cleanses Caffeine free with herbs for tea Clear and fresh he won't be tempted High on C he's staring at me We make us seem far apart Dead for awhile, resurrects with a smile Pulls my conscience inside apart

Green man

I'll take a leaf from your book Found a new love I say peace man

Green man

I'll take a leaf from your book Found a new love I say peace man Second sight no sense of fright He lives his life for the moment He stands like a god an enlightened god Ruby centres in his crown Man of wealth loaded with health A lion with a mother's heart Magic man with your save Earth plan Thanks for giving me my part

Green man

I'll take a leaf from your book Found a new love I say peace man

Green man

I'll take a leaf from your book
Found a new love
I sa peace man
Our body is a precious thing, treat it with care, treat it as b
are
As a snake sheds its skin you've got to shed your past over and
over
Again the more that you give the more you'll receive so give yo
ur
Love for free don't live for the past or the futre live now
over and over and over the past or the futre live now
