

# Kill with Your Smile

Mark Owen

You just start me up,  
Anytime,  
I'm a dog, I'm a slag, I'm a disco queen,  
You're so on that you make me shine,  
And I, I dig your music  
Stand out you're a chemical, (come on up)  
Sweet Lord, you're a miracle  
And your eyes,  
Apologise for your wonder,  
Apologise for your style,  
And you kill with your smile, yeah  
You just fuck me up,  
Every time  
You're a smoke, you're a choke, you're the nicotine,  
You're my bloody valentine  
And I, I didn't choose it,  
Take off you're a radical, (come on up)  
Touch down you're a miracle  
And your eyes,  
Apologise for your wonder,  
Apologise for your style,  
And you kill with your smile, yeah  
And your eyes,  
Apologise for your wonder,  
Apologise for your style,  
You're killing me still with your smile  
And I can see me,  
Lying on the floor  
And you're beating me up,  
Trying to bring me back  
And I don't know where I'm going  
And your eyes,  
Apologise for your wonder,  
Apologise for your style,  
And you kill with your smile  
Kill with your smile  
And your eyes,  
Apologise for your wonder,  
Apologise for your style,  
Killing me still with your smile,  
And you kill with your smile  
And you kill with your,  
Kill with your,  
Kill with your smile  
You just start me up  
(Stand out you're a chemical)  
Any time  
(Sweet Lord, you're a miracle)  
Stand out you're a chemical  
Come on up  
Sweet Lord you're a miracle  
Come on up  
Stand out you're a chemical  
Come on up  
Sweet Lord you're a miracle
