

Apply Some Pressure

Mark Ronson

You know that I would love to see you next year
I hope that I am still alive next year
You magnify the way I think about myself
before you came I rarely thought about myself

Behind your veil I found a body underneath
inside your head were things I never thought about
you know that I would love to see you next year
I hope that I am still alive next year

What's my view?
well how am I supposed to know
write a review
well how objective can I be
[X2]

you know that I would love to see you in that dress
I hope that I will live to see you undressed
the every day is part of what consumes me
the hate I feel is part of what fuels me

I testify to having guilty feelings
I must confess I'd like to be caught stealing
you know that I would love to see you in that dress
I hope that I will live to see you undressed

What's my view?
Well how am I supposed to know?
Write a review
Well how objective can I be?
[X2]

I like to wait to see how things turn out
If you apply some pressure
[X2]

What happens when you lose everything
you just start again
you start all over again
[X2]

I like to wait to see how things turn out
If you apply some pressure
[X2]

What happens when you lose everything
you just start again
you start all over again
[X3]

What happens when you lose some pressure
apply some pressure you lose some pressure
apply some pressure you lose some pressure
apply some pressure you lose some pressure
[X2]

You know that I would love to see you next year

I hope that I am still alive next year
You know that I would love to see you in that dress
I hope that I will live to see you undressed
