

Higher Power

Mark Salling

Hey Are you feeling sad today
Did you catch the one you're wanting
Just to let them get away
Everyone becomes a therapist
You can't afford to pay
You're going insane

So, maybe something's wrong with you
Seems the world becomes disinterested in everything you do
And if your dream is to be lonely then I guess it's coming true
Are you alive
Are you even alive

Because
Love is an impossible
I have seen her
Broken and beautiful
Rising up above my remaining ashes
Kneel
Higher Power

Now, nothing's left to do but wait
With no distraction from yourself it's time to re-evaluate
You should make your peace with God
Or maybe focus on career
But one thing is for certain
There is nothing for you here

So, go
There's so many things to see
Just beyond the song of darkness
That is permeating me
Just because I'm a prisoner
Don't mean that you're not free
When we met you were blind
Now I'm praying that you see

That love is an impossible
I have seen her
Broken and beautiful
Rising up above my remaining ashes
Kneel
Higher Power

Love is an impossible
I have seen her
Broken and beautiful
Rising up above my remaining ashes
Kneel
Higher Power

Love is an impossible
I have seen her
Broken and beautiful
Rising up above my remaining ashes
Kneel
Higher Power

Love is an impossible
I have seen her
Broken and beautiful
Rising up above my remaining ashes
Kneel
Higher Power
