

40 Days

Mark Schultz

Lord, I came to the mountaintop
To be with You
I felt Your grace falling down like rain
And I was made new

But there are times like now when I'm all dried out

And it's like 40 days out in the desert
Feeling like I'm lost forever
And crying out for You
But in these 40 days I'm going to seek You
With my heart because I believe You
Have brought me to this place
These 40 days

Lord, Your ways are not my own
But I trust You
Lord, You say, "You are not alone,
For I am with you"

But there are times like now when You can't be found

'Cause You are with me
You never leave me
Even when my world turns upside down
'Cause there are times like now when I will
Trust somehow

Well, there is a light at the end of the tunnel...I know
